ASIA 2010 GUIDELINES: MANAGEMENT OF CHRONIC URTICARIA

- **SPEAKER** -

Dr Tan Kian Teo
MB BCh, MRCP (UK), FAMS
Dermatologist
Raffles Hospital

Dr Tan Kian Teo is a consultant at Raffles Hospital and visiting consultant at the National Skin Centre. Dr Tan deals with general and aesthetic dermatological conditions, and sexually transmitted infections. His areas of special interest are urticaria and hair disorders. The fellowship of the Health Manpower Development Plan was awarded to him in 2007 by the Ministry of Health for further training in hair disorders in the United Kingdom. He was previously in charge of the Urticaria Clinic at the National Skin Centre and has conducted various research studies on chronic urticaria in the local context.

MANAGING MALE PATTERN HAIR LOSS: WHOSE BUSINESS IS IT?

- **SPEAKER** -

Dr Cheong Wai Kwong
MBBS(S'pore), MRCP(UK), FRCP(Edin), Dip Ven(London), FAMS(Dermatology)
Dermatologist
Specialist Skin Clinic

Dr Cheong Wai Kwong is a Dermatologist in private practice at the Specialist Skin Clinic and Visiting Consultant at the National Skin Centre. Dr Cheong has been practising dermatology since 1986 in various hospitals including the National Skin Centre in Singapore and in the St John's Dermatology Centre in London before going into private practice in 1995. Over the years, he had spoken on male pattern hair loss locally and in Malaysia, Korea and China. He also has special interest in the fields of cutaneous photobiology, psoriasis and acne.
